

Specialized Instruction and Services for Students with Significant Challenges

District 75 provides instructional support in a wide variety of settings for students with significant challenges, which may include those on the autism spectrum or with significant cognitive delays, emotional disturbances, and sensory impairments and or multiple disabilities.

Additional services are provided in the following areas as indicated: bilingual instruction and support, English as a Second Language (ESL), travel training, activities of daily living (ADL), as appropriate.

For students with significant hearing and/or vision impairments, District 75 offers special class service. Specialized equipment and related services are integrated into the curriculum throughout the school day. These services may include audiology, assistive technology, sign language interpretation, orientation and mobility, and Braille.

Partnering with Families

The goal of District 75 is to maximize independence and opportunity to students to increase potential. We partner with families to ensure the best outcomes for all students.

District 75 classes serving kindergarten students include:

Special Class, 12:1:1 Ratio
- 12 students
- One teacher
- One paraprofessional

Serves students with academic and/or behavioral management needs that interfere with the instructional process. They may require additional adult support and specialized instruction that can best be accomplished in a self-contained setting.

Special Class, 8:1:1 Ratio
- 8 students
- One teacher
- One paraprofessional

Serves students whose needs are severe and chronic requiring constant intensive supervision, a significant degree of individualized attention, intervention and intensive behavior supports as well as additional adult support.

Special Class, 6:1:1 Ratio
- 6 students
- One teacher
- One paraprofessional

Serves students with high needs in most areas including academic, social and/or interpersonal development, physical development, and management. Classes provide intense individual programming, continual adult supervision, and when indicated a specialized behavior management program, and speech/language therapy (which may include augmentative/alternative communication).

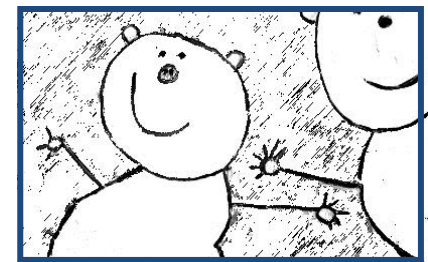

Special Class, 12:1:4 Ratio
- 12 students
- One teacher
- In addition, one paraprofessional for every three students

Serves students with severe multiple disabilities which may include, limited language, academic delays and who may be unable to function independently. Classes may provide a program of habilitation and treatment including training in daily living skills, communication skills, sensory stimulation, and therapeutic interventions.
